

PERSONS WHO HAVE AGREED NOT TO PARTICIPATE
IN THE WASTE COLLECTION, REMOVAL, OR DISPOSAL INDUSTRY

Agreements are lifetime unless otherwise noted. Most agreements are in the form of one or more debarment affidavits; others are restrictive covenants. An asterisk (*) signifies that prior Commission approval is required before reentry into the industry.

Commission licensees are prohibited, as an agreed condition of licensure, from employing, retaining the services of, or doing business with any person (or any entity employing or retaining the services of such person) who has consented or agreed not to be involved in the commercial waste industry.
